Objective

My lifetime objective is to become one of the best front-end developers out there. For a short-term objective I would like to get a job as front-end developer.

Education

- Unirea National High-school, Tg.Mures
- Major | 2010
- Language studies
- Started University in 2015 in Geography studies, but never finished because it did not satisfy me.

Experience

[2012] – [2016]

[Bar Manager] | [SPUM Tg.Mures] | [Tg.Mures]

Started working in 2010 as a waiter and rapidly worked myself up the ladder until I reached Bar Manager

[2016] – [Currently]

IT Sales Assistant | Altex Romania | Tg.Mures

Currently working on this job. Although I am a people's person and the remuneration is not that bad, I would like to work in a web-development job.
